STAY ALERT. DON'T GET HURT.

Parking lot safety

- Don't get distracted by your mobile or headphones
- Look twice for pedestrians, bicycles and on the way to your car.
- Be aware of your surroundings. Walk with confidence towards your destination.
- Drive slowly and follow the posted speed limits.

In case of an accident:

- Protect the victim and the people exposed.
- Alert Sika staff and emergency services
- Try to assist the victim only if you have the right skills. Otherwise stay close to him/her.
- Every accident, even light, has to be reported.

What to do in case of fire?

In case of fire detection:

- Alert organizers / hotel staff immediately.
- If you know how, use the extinguishers available.

Stair safety:

- Use the hand rails.
- Put your mobile away.
- Take one step at a time and walk slowly.

Smoking

Smoking is only allowed in the reserved outdoor area.

In case of evacuation:

- Keep Calm.
- Leave the building following the exit signs.
- Meet at the gathering point.
- Take any colleagues with you to the assembly point
